

# Khadiza Jarin Roza

## FRONTEND DEVELOPER

### CONTACT

**Phone:** +88 01315-929336  
**Email:** khadiza131310@gmail.com

**Address:** Narsingdi, Bangladesh  
**Portfolio:** [khadizajarinroza.netlify.app/](https://khadizajarinroza.netlify.app/)

### PROFESSIONAL SUMMARY

Dedicated Front-End Developer from Bangladesh with expertise in React.js, Material-UI, and REST API integration, passionate about building responsive, high-quality user interfaces. Delivered optimized UI components during a React-based internship at Somykoron, collaborating remotely to enhance functionality. Developed a personal event management app, EvePlano, showcasing clean, maintainable code and cross-browser compatibility. Skilled in translating wireframes into interactive web pages, ensuring UX consistency and clean design. Eager to contribute to production-ready UI with minimal dependencies.

### SKILLS

**Comfortable With:** React.js, HTML, CSS, JavaScript, React Router, Version Control (Git), VS Code, GitHub

**Familiar With:** Node.js, Express.js, MongoDB, Scrum, Agile, Next.js, Firebase Authentication, Angular, TypeScript, Material UI, PrimeNG

**Expertise:** Clean code Practices, React.js (Advanced concepts), Front-End Development Best Practices, UI/UX Principles, Responsive Web Design, Component-Based Architecture, API Integration, UI Implementation from Wireframes

**Tools:** VS Code, Git/GitHub, Chrome Developer Tools, React Developer Tools

### PROFESSIONAL EXPERIENCE

#### Junior Developer Intern | November – December 2024

Somykoron

- Developed and maintained web applications using React.js, improving UI responsiveness.
- Collaborated with a team of developers in an Agile environment to enhance user experience.
- Integrated APIs and optimized front-end performance for better load times.
- Implemented version control best practices using Git and GitHub.

### EDUCATION

#### University of Chittagong | 2020 – 2025

Bachelor of Science in Computer Science & Engineering

- Actively engaged in coursework focused on software development, algorithms, and data structures.
- Participated in research initiatives and academic projects demonstrating problem-solving and innovation.

### CERTIFICATES

#### Complete Web Development

[Programming Hero | Batch 08 | Issued by Jhankar Mahbub](#)

Successfully completed the Complete Web Development course, gaining hands-on experience in JavaScript, HTML, CSS, and React to build multiple projects.
