NextJS

EDUCATION

B.Sc. in EEE (CGPA: 3.775)
International Islamic University Chittagong

ABHIK NATH THOSAN
SOFTWARE ENGINEER

CAREER OVERVIEW

Full Stack Developer with expertise in JavaScript, React, and Tailwind CSS for building responsive and dynamic user interfaces. Experienced in integrating front-end applications with backend APIs to create seamless user experiences. Beginner-level proficiency in backend development with Node.js, Express.js, and MongoDB, including exposure to building and managing basic SaaS product backends and RESTful APIs. Passionate about expanding full-stack development skills and leveraging modern web technologies to contribute effectively to end-to-end projects.
