Md. Rafiqul Islam

Front-End Developer

mr.rafiqulthedev@gmail.com | +8801889693061

in LinkedIn   GitHub

Summary

I'm a passionate Web Application Developer specializing in Front-End Development. As a Front-End developer, I can convert Figma design to a perfect responsive web template and give them life using React Js & Next Js. I'm good at solving problems. I'm also a team player and love working with others. Collaboration is key to building successful websites, so I enjoy working with designers and other developers to bring ideas to life.

Featured Project

Portfolio Website

Next JS   Framer-Motion   React Js   Shade-CN

Live Preview: https://mr-rafiqulthedev-portfolio.vercel.app/
