OBJECTIVE

To leverage my programming skills and passion for technology to develop innovative, efficient, and user-friendly software solutions, while continuously growing as a professional and contributing to the success of a forward-thinking organization.

PROFESSIONAL EXPERIENCE

Trainee junior software developer
Rafusoft (02/05/24 – 01/11/24)
Mirpur11, Dhaka

- Created and oversaw wireframe designs from client requests.
- Created the user experience that fetched, parsed, and formatted analytic data, and relayed it into React components.
- Developed user interfaces with modern javaScript freameworks,HTML5, and CSS3.
- Designed and developed web applications using javaScript frameworks React.js.
